Jason Watson Hits #1 on Global Rock Chart

June 15, 2009 (Springdale, AR) Step Into the Light, a new hit song from Jason Watson, just landed in the #1 spot on Christian Radio Weekly's Global Rock Chart. This song was released by McLaughlin Music Group International, Inc. on May 11th where it actually debuted at #3. Spanning across three formats this week, Jason's song also ranked in two other formats including #12 on CRW's Global CHR and #19 on Global AC.

"We could not be more excited about this news today," said Jason. "We've received lots of great feedback about this song as well as the other songs on our new EP, but to receive this kind of recognition on a national level just blows my mind." MMGI, Inc. plans to release a second song from this new EP within the next six weeks.

Jason Watson and his band are no strangers to the Kansas City, MO area. He was honored to receive the KCCM 2008 Performer of the Year Award as well as several other nominations. Whether on the road or through the airwaves, straight from Zodalounge Music Productions in Nashville, TN, he's coming to your backyard. When he does, do yourself a favor. Watch and listen!
